Welcome Speech

Chairman of Indonesian Neurosurgical Society

Krisna Murti
Chairman of
Indonesian Neurosurgical Society

Dear Esteemed Colleagues and Friends,

It is with great honor and pride that I invite you to attend the PERSPEBSI Congress 2026, held in conjunction with the 30th Annual Scientific Meeting of the Indonesian Neurosurgical Society (INS), taking place on August 27th - 30th, 2026 at Swiss-Belhotel Harbour Bay.

Under the theme "Neurosurgery Excellence in Care," this congress represents our unwavering commitment to advancing clinical excellence, strengthening scientific collaboration, and continuously elevating the standards of neurosurgical practice. Excellence in care is not only defined by innovation and technical mastery, but also by compassion, integrity, and patient-centered service.

This annual gathering serves as a vital platform for knowledge exchange, presentation of cutting-edge research, and meaningful professional dialogue. More importantly, it is an opportunity to reinforce unity within our neurosurgical community and to inspire the next generation of leaders in our field.

On behalf of PERSPEBSI, I warmly encourage all colleagues, partners, and stakeholders to join us in this significant scientific event. Your participation will undoubtedly contribute to the success and lasting impact of our congress.

I look forward to welcoming you to Batam for a productive and memorable meeting.

Warm regards

Welcome Speech

Chairman of 30th Annual Scientific Meeting of Indonesian Neurosurgical Society

Assalamu'alaikum warahmatullahi wabarakatuh,

On behalf of the Organizing Committee, it is my distinct honor and profound privilege to extend a warm welcome to all delegates attending the PERSPEBSI Congress 2026, held in conjunction with the 30th Annual Scientific Meeting of the Indonesian Neurosurgical Society, at the Swiss-Belhotel Harbour Bay, Batam, Kepulauan Riau, from August 27th - 30th, 2026

Guided by this year's theme, "Neurosurgery Excellence in Care," we reaffirm our collective commitment to advancing neurosurgical science, clinical mastery, and compassionate patient care. This theme reflects our shared aspiration to integrate innovation with humanity, ensuring that progress in neurosurgery remains firmly centered on the well-being of our patients.

This annual scientific meeting represents a significant milestone in the continuing journey of our society. It serves as a distinguished forum for scholarly exchange, interdisciplinary collaboration, and the cultivation of new ideas. Through a comprehensive program of plenary lectures, symposia, workshops, and discussions, we seek to strengthen professional excellence and to shape the future of neurosurgery in Indonesia, the region, and the global neurosurgical community.

I wish to express my deepest appreciation to all distinguished speakers, contributors, sponsors, and participants whose dedication and support have made this congress possible. Your invaluable contributions are central to the success and scientific quality of this meeting.

May this gathering inspire renewed commitment to excellence, foster mentorship for the next generation of neurosurgeons, and uphold the highest standards of professionalism, integrity, and compassion that define our noble discipline.

With these remarks, I am honored to formally declare the 30th Annual Scientific Meeting of the Indonesian Neurosurgical Society open. May our deliberations be productive, enlightening, and enduring in impact.

Thank you for your kind attention.

Wassalamu'alaikum warahmatullahi wabarakatuh.

ABSTRACT SUBMISSION GUIDELINES

General Guidelines

- Abstract must be submitted and presented in English
- You Should only Submit work if you, or a designee, are committed to registering for and attending the Congress to give you Oral or E-Poster Presentation
- Registration is not mandatory in the submission process; however, all Presenting Authors must register for the Congress deadline by July 17th, 2026
- There is no limit to the number of abstract you may submit, however the abstract selection committee aims to achieve a wide geographic spread of presenters
- There are 2 Presentation types : Oral and E-Poster . You may indicate your preference, but the Abstract Selection Committee will make the final format determination
- Abstracts can not contain advertising, trade names, or product group messages. Please use generic names or terms in your abstract content

Abstract Form

- Abstract of original research and case report/ series are considered
- Person who submitting the abstract will automatically be the presenting author
- The Submitter (Presenting Author) is responsible for ensuring that all Co-Author agreed to be listed on the abstract
- Abstract typed using font "Arial" , One Space, Justift Adjustment
- Title (Maximum 20 words)
- Keyword (maximum 4)
- Abstract body (Maximum 300 words, Including the Following Sections)
- Objective : at least 2 clear and measurable objectives
- Background : a brief statement on why the study was conducted
- Methods : The Methods of study or experimental approach must be briefly defined
- Results : A summary of the study results , including sufficient detail to support the conclusions
- Conclusion : A statement explaining the significance of the study and its implications for futher research
- Authors (Maximum 11) : include full names with institutions and country
- Prefereed Presentation Type : You may indicate your preferred presentation type -oral or E-Poster - but The Abstract selection committee will make the final format determinations
- Disclose conflict of interest and accept terms and conditions

Abstract Selection

Abstracts will be reviewed by the Scientific Committee to ensure that high-quality scientific submissions are selected for presentation at the congress. The Following criteria will be used to accept the abstracts:

- Significance of the abstract for neurosurgery
- Innovativeness of ideas, methods, and /or approach
- The Rigor of Methods and approach (analytical design for research , systematic approach for practice and/or policy)
- Presentation of empirical findings (not applicable if the abstract does not present empirical research)
- Implications identified for future research , practice and / or policy
- Clarity of writing

Notification of the Abstract Selection Committee's Decision will be sent by August 1st, 2026 via Whatsapp Group <https://bit.ly/scicompetitionins2026>

ABSTRACT SUBMISSION GUIDELINES

Registration / Attendance Requirement^h

The Presenting Author (Oral or E-Poster) must register for and attend the Congress. Registration must be completed by July 17th, 2026. If a presenting author does not register by the deadline, all accepted abstracts by that presenting author will be removed from the program.

WORKSHOP PROTEKSI DAN KESELAMATAN RADIASI

Kamis, 27 Agustus 2026

Swiss-belhotel Harbour Bay Batam

Mengapa Wajib Memiliki Sertifikat Proteksi Radiasi?

Landasan Hukum

- Berdasarkan Permenkes No. 24 Tahun 2020 & regulasi BAPETEN
- Tenaga medis yang menggunakan alat radiasi (C-Arm, fluoroskopi, dll) wajib memiliki sertifikat proteksi radiasi
- Berlaku 5 tahun → wajib refresh/sertifikasi ulang

Standar Akreditasi RS (STARKES)

- Masuk dalam elemen MFK & KPS (KARS/Kemenkes)
- Diverifikasi saat survei akreditasi
- RS wajib memiliki daftar staf bersertifikat untuk operasional radiasi

Regulasi & Kredensialing BPJS

- Syarat legalitas pembayaran klaim
- Tindakan hanya dibayar jika dilakukan tenaga medis dengan sertifikat & izin aktif
- Sertifikat/SIP kedaluwarsa → klaim dapat ditolak

**Biaya : Rp 5.000.000
(Kuota 30 Orang)**
